Investment objective

HgCapital Trust plc (the 'Company') is listed on the London Stock Exchange (HGT.L). The objective of the Company is to provide shareholders with consistent long-term returns in excess of the FTSE All-Share Index by investing predominantly in unquoted companies where value can be created through strategic and operational change.

The Company provides investors with exposure to a fast-growing portfolio of more than thirty unquoted investments identified by Hg. Hg is a long-established and independent partnership that brings together operational and financial management skills. It has a significant track record of using a deep sector focus to identify businesses with specific business models that can perform well across the economic cycle. Hg specialises in technology and technology-enabled service companies from enterprise values of £50 million to in excess of £3 billion primarily. but not exclusively, in Northern Europe.

The Hg team have extensive experience in these sectors and geographies and can apply the firm's knowledge to effect both strategic and operational change, and portfolio experience to help create a collaborative community of businesses with shared experience, to enhance growth.

Why invest?

Investment in the Company offers investors a liquid investment vehicle through which they can obtain an exposure to Hg's diversified portfolio of private equity investments across multiple vintages primarily in Northern Europe.

Hg's long standing investment in establishing and maintaining deep sector expertise is a key differentiator in the European Private Equity environment which has delivered superior returns over the long-term.

Based on the Company's share price at 30 November 2018 and allowing for all historic dividends to be reinvested, an investment of £1,000 twenty years ago would now be worth £14,807 a total return of +1,480%. An equivalent investment in the FTSE All-Share Index would be worth £3.187.
